MEETING SET FOR WEDNESDAY

Members of Chamber of Commerce Believe Need of Organization Is Apparent—Negro Sentenced to One Year in Penitentiary for Larceny. Basketball Team to Take Trip.

WASHINGTON HERALD BUREAU, 625 King Street.

Alexandria, Va., Feb. 25.—A meeting of the retail merchants has been called for Wednesday evening next, in the rooms of the chamber of commerce for the purpose of considering the formation of a permanent organization.

This action was decided upon following a conference among a number of retail merchants of the city with a committee from the chamber. In the opinion of members of the chamber of commerce, the need of such an organization is apparent, and would prove beneficial to the retailers.

In the Circuit Court for Alexandria County to-day, Judge J. B. T. Thornton presiding, cases disposed of were as follows: Commonwealth vs. Brice, negro, indicted for larceny, one year in the penitentiary; William Fleet, negro, assaulting William Holmes, negro, sixty days in jail and \$5 and costs; Robert Moore and Eugene Lee, negroes, larceny, verdict of not guilty.

The Alexandria Light Infantry basketball team will take a trip through Virginia. Manager Thier has arranged games with eight teams. When four more teams are heard from the trip will be completed. The local team expects to make the trip in the early part of March.

Because Peter Davis and Harry Brown, both tramps, built a fire in an abandoned caboose of the Southern Railway Company in the company's yards yesterday, they were prisoners in the police court this morning. Davis explained they wanted to get out of the chilly weather. They were fined \$5 each.

Funeral services for William H. Bond, who died Wednesday, were held at 3 o'clock this afternoon from his home, 302 Duke street. Rev. W. F. Watson, pastor of the First Baptist Church, conducted the services. Interment was in Bethel Cemetery.

William K. Smith, a negro, who was adjudged insane last Tuesday, was today taken by a guard to the State Hospital for the Insane at Petersburg, Va.

The funeral of Mrs. William E. Fendall, who died yesterday, will take place at noon to-morrow from St. Paul's Episcopal Church. Services will be conducted by Bishop Harding, of Washington; Rev. P. P. Phillips, rector of the church, and Rev. Dr. S. A. Wallis, of the Episcopal Theological Seminary. Burial will be in St. Paul's Cemetery.

Before a large audience, Rev. C. D. Bulla, pastor of the Methodist Episcopal Church South, this evening delivered an interesting illustrated lecture on the Yosemite Valley in the Young People's building.

A largely attended meeting of Potomac Lodge, No. 28, Order of Odd Fellows, was held this evening when the third degree of the order was conferred upon a candidate. A meeting of Friendship Council, No. 28, Daughters of Liberty, will be held Monday night in Pythian Hall, when several candidates will be admitted to the order.

Stuart J. Simpson has purchased from Thomas F. Burroughs and others a lot on the west side of Alfred street between Wilkes and Gibson streets.

Mrs. J. H. Hoge Dead. Special to The Washington Herald. Lynnhurst, Va., Feb. 25.—Mrs. J. H. Hoge, daughter of Judge James F. Strother, of Rappahannock County, and a sister of the Strother brothers, who were principals in the sensational Bywater murder, in Culpeper County two years ago, died in a hospital at Bluefield, W. Va., this morning of typhoid fever. Death was very sudden, though she had been ill for some time.

Wants Site for Academy. Staunton, Va., Feb. 25.—L. B. Steele has sent out the following letter to the mayors of several Northern Ohio cities: "I am looking for a growing town in your section willing to donate a site for a first-class preparatory academy for boys. Would prefer a site in a suburb that would allow development. Do you think your people would be interested? If so, would be glad to hear from you."

Takes Poison by Mistake. Special to The Washington Herald. Staunton, Va., Feb. 25.—As a result of taking carbolic acid, thinking it medicine, Mrs. J. Fred Effinger, prominent in State D. A. R. circles, lies ill at her home. She took a large dose of the acid, and but for the timely arrival of a physician would have died. She is the wife of J. Fred Effinger, a capitalist and prominent in social life.

Would End River Pollution. Special to The Washington Herald. Charleston, W. Va., Feb. 25.—Gov. Glasscock, accompanied by three members of the commission appointed to investigate pollution of the New and Kanawha rivers, left to-night for Washington to hold a conference with the Secretary of War relative to those streams.

SOLDIER TO WED ACTRESS.

Mr. and Mrs. Keenan Will Spend Honeymoon in Honolulu.

Special to The Washington Herald. Wheeling, W. Va., Feb. 25.—The glare of the footlights and the glamour of the uniform of one of Uncle Sam's soldier boys, for two weeks, led to a brief, but interesting romance, which will culminate in the marriage of Miss Freda Simmons, leading character actress of Hall's Associate Players, and Joseph W. Keenan, a sergeant in Uncle Sam's army, in charge of the recruiting office here.

The couple will spend their honeymoon in Honolulu in the Hawaiian Islands, to where Sergeant Keenan is to be transferred at his own request.

INCOME TAX FAVORED

House Committee to Report Favorably on Resolution.

SENATE PASSES THE AUTO BILL

Legislators at Richmond Against Election of Corporation Commission Members by the People—Cow Pasture River to Become a Public Highway—Pilots' Tax \$50 a Year.

Special to The Washington Herald.

Richmond, Va., Feb. 25.—The house committee on Federal relations this afternoon decided to report favorably the joint resolution ratifying the sixteenth amendment to the Constitution of the United States, permitting Congress to levy a tax on incomes. Similar favorable recommendation has been made to the senate, and the matter only awaits confirmation by the two bodies.

The house rejected the bill providing for the election of members of the corporation commission by a vote of the people.

The senate passed the automobile bill without making any change in the rates.

A bill was also passed by the senate continuing for two more years the office of secretary of Virginia military records.

The senate passed the bill levying a tax of \$50 a year on pilots.

Other house bills passed by the senate were: To make the Cow Pasture River a public highway; to authorize the State board of charities to ascertain facts regarding the feeble-minded; to allow the clerk of the State corporation commission a fee for attesting the seal of the commission.

BOYS FIND POT OF GOLD.

Attracted to Deserted Cabin by Dog. They Uncertain Treasure.

Special to The Washington Herald. Huntington, W. Va., Feb. 25.—A pot containing \$42 in gold was found by boys while on their way home from school just across the river from this city in Lawrence County, Ky. The boys saw a dog digging away at a hole under a deserted log cabin. They went over and found an old tin canister. It was full of gold coin, which, it is believed, had been there for over twenty-five years, and a roll of paper that it is believed contained bank notes, but it crumbled in their hands and the boys threw it into a passing stream.

EXCHANGE THEIR JOBS.

Postmaster and United States Marshal Each Has Good Thing.

Special to The Washington Herald. Staunton, Va., Feb. 25.—The appointment to-day of S. Brown Allen to be postmaster here, and of R. A. Fulwiler to be United States marshal for the Western district of Virginia, is looked upon here as the result of great shrewdness on the part of Republicans of this district. The appointments were a great surprise, and came like a bomb to the Fifth district, where the Republicans felt sure S. G. Proffitt would get the marshalship. Allen had been marshal three terms, and had hot opposition, and the result is thought to represent a compromise to avoid disruption in Republican ranks. Fulwiler merely changes jobs.

CIVIL BODY WAR IN COURT.

Llewellyn Jordan and ten other members of the United States Civil Service Retirement Association yesterday filed a petition in court to issue an injunction and restraining order against Michael F. O'Donoghue and nine other members.

It is alleged by the petitioners that the defendants exceeded their authority as members and officers of the society and acted against its constitution in numerous instances.

SCORES PERMIT METHOD.

Capt. William Kelley Would Change Examination of Chauffeurs.

In a letter to Engineer Commissioner Judson, Capt. William Kelley, his assistant, scores the present method of examining applicants for permits to run automobiles.

The rule now which authorizes H. W. Woodward, secretary of the automobile board, to issue temporary licenses, appears to Capt. Kelley illogical and slow. He thinks it will expedite matters greatly if the secretary is authorized to issue a permanent permit after investigating the character and knowledge of the applicant, and he has recommended an amendment to be substituted for the present section.

The amendment says that it shall be unlawful for any persons to operate any motor vehicle of any kind until the person has obtained a permit.

The Commissioners are given the right to suspend or revoke a permit, upon the recommendation of Maj. Sylvester. The amendment was referred to Engineer Commissioner Judson, who transmitted it to Commissioner Johnston, suggesting that it be shown Maj. Sylvester, after which he would refer it to the corporation counsel.

The Extra Quality

of Schlitz Beer is due to selection of materials and care in making. Nothing else. There is no secret process—no short cut.

The policy of Joseph Schlitz in his humble beginning is ours today. A beer so much superior that those who know it will always demand it. Many cheap beers have come—and gone. But the sales of Schlitz have steadily increased.

Quality of materials is insured by one of our owners. He personally selects the barley. He goes to Bohemia for most of our hops. Our water is drawn

1400 feet from rock. Our yeast was brought over by one of our founders. The culture is ever developed from that original mother cell.

Care in our brewing doubles the usual cost. Rigid cleanliness attends every step. We clean every tank and vat with live steam. We wash every bottle four times before it is filled and finally sterilize it after filling and sealing.

Every drop of Schlitz is thoroughly aged. It lies for months in glass-lined steel tanks.

Surely you owe yourself the extra goodness of Schlitz. Usually you pay no more for it.

See that the cork or crown is branded Schlitz.

CONFERS WITH WICKERSHAM

President Gompers Raps Moon Bill in Cause of Labor.

Other Issues Discussed at Afternoon Meeting Include Operation of the Injunction.

After a conference with Attorney General Wickersham yesterday afternoon, President Gompers, of the American Federation of Labor, gave out the following statement:

"We discussed the abuses of the injunction process and labor's opposition to the Moon bill. Mr. Wickersham's attention was called to the labor view on account of the Supreme Court decision in the hatters' case, through which the garters of Connecticut have been mislaid for \$22,000.

"Mr. Wickersham asked me whether the Moon bill was not in exact conformity with the plank in the Republican party platform of the last campaign. I answered that that is very likely, but I did not regard the declaration of the Republican party platform on that subject as a faith to which labor wants to bow down any more now than it did at that time. It is a declaration of pro-injunction, rather than the anti-injunction regarding the abuses.

"Anything which the members of the labor organizations may now do for the purpose of protecting the rights of the workers which may injure the employer, the employer may now proceed, under the terms of the law as interpreted by the United States Supreme Court, and if they can establish the fact that they have been damaged, the recovery can be proceeded against, fined \$5,000, and sent to prison for one year.

"The Attorney General made no promises or assurances. The steel investigation matter will be presented shortly."

CHARLES R. HEIKE RELEASED.

Sugar Trust Scapegoat Granted a Writ of Error by Court.

Judge Lurton, of the Supreme Court, yesterday granted a writ of error to Charles R. Heike, the employee of the American Sugar Refining Company, who was indicted for complicity in the sugar frauds at New York, but pleaded immunity by reason of having been compelled to testify before the grand jury that was investigating the matter.

With the writ of error went an order for the stay of proceedings in the prosecution of Heike's case until the question of immunity is passed upon by the Supreme Court.

As the case would not be reached in regular term for a year or more, it is not improbable the government may ask the court to advance it for hearing at the present term.

Damage estimated at more than \$1,000 was caused yesterday morning by fire in the home of Col. Henry F. Blount, vice president of the American Security and Trust Company, who lives at Thirty-first and R streets northwest.

Mrs. Mary White, daughter of the bank official, accidentally started the fire when she dropped a lighted candle on bed clothes. Mrs. White picked her son in her arms and ran from the room, crying for help. Col. Blount arose, dressed, and sounded an alarm from a fire box in front of the house. He said the quick response of firemen saved his home from destruction.
